The Consultant will, at its expense, make such books and records available for such inspection and audit during normal business hours at Consultant's office, place of business, or other agreed-upon location, or will provide copies by mail or electronically. The County may, as part of its examination, make copies of, or extracts from, all such books and records (in whatever form they may be kept, whether written, electronic, or other).
- D. Result of Audit. If, as a result of such audit, Consultant is liable to the County for the payment of any sum, Consultant will pay such sum to the County together with interest thereon at the rate of one percent (1%) per month from the date such sums should have been paid, or the date of any overpayment by County, within 90 days after presentation of County's findings to Consultant. If the audit results in findings of fraud, misrepresentation, or non-performance, Consultant will pay the County's costs of conducting the audit. The County's audit rights will survive the expiration or termination of this Contract.
- E. Subcontractors and Assigns. Consultant will include these Section H.31 requirements in every agreement with any agent, assign, successor, and subcontractor who provides construction, professional design services, goods or services under this Contract.

8.15. FORCE MAJEURE

Except for payment of sums due, neither party will be liable to the other nor deemed in default under this Contract if and to the extent that such party's performance of this Contract is prevented by reason of Force Majeure. If either party is delayed at any time in the progress of the work by Force Majeure, the delayed party must notify the other party in writing of the delay as soon as practical, including when the delay commenced and its cause. The notice must make a specific reference to this article to fall within its protection. The delayed party must resume performance as soon as practicable and must notify the

In the event this Contract is terminated by the County pursuant to this provision, the County will be entitled, in addition to any other rights and remedies, to recover or withhold from Consultant the amount of the gratuity.

To the extent allowed by law, Consultant must indemnify, defend, and hold harmless Mohave County, and its officers, officials, agents, Officers, and employees (hereinafter referred to as "Indemnatee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys' fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as "Claims") for bodily injury (including death), personal injury, or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the acts or omissions of Consultant or any of its owners, officers, directors, agents, employees or subcontractors. This indemnity includes any claim or amount arising out of, or recovered under, the Workers' Compensation Law or arising out of the failure of such Consultant to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that the Indemnatee must, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnatee, be indemnified by Consultant from and against any and all claims. It is agreed that Consultant will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. In consideration of the award of this Contract, the Consultant agrees to waive all rights of subrogation against Mohave County, its officers, officials, agents, Officers, and employees for losses arising from the work performed by the Consultant for Mohave County.

The scope of this indemnity will not be limited by the Insurance Requirements contained herein.

8.18. INDEPENDENT CONTRACTOR

Neither party is the agent, employee, partner, joint venturer, or associate of the other. No employee or agent of one party will be deemed or construed to be the employee or agent of the other party for any purpose. Neither party will be liable for any debts, accounts, obligations or other liabilities whatsoever of the other, including (without limitation) the other party's obligation to withhold Social Security and income taxes for itself or any of its employees.

8.19. INSPECTION AND ACCEPTANCE

All materials and services provided to the County under this Contract are subject to final inspection and acceptance by the County. Any materials or services failing to conform to the specifications of this Contract must be promptly replaced or redone at Consultant's cost. Nonconforming goods or services may be deemed a default and result in Contract termination.

8.20. INTELLECTUAL PROPERTY

If manufacture, sale, or use of any method, process, machine, technique, design, living thing, genetic material, or composition of matter, or any part thereof (“Product”) by Consultant in performing its duties under this Contract is determined to constitute infringement and if further manufacture, sale, or use of said Product is enjoined, Consultant will, at its own expense, either procure for the County the right to continue manufacture, sale, or use of that Product, replace it with an alternative non-infringing Product, or modify it so it becomes non-infringing.

If requested by County, Consultant will provide the County with satisfactory evidence of patent licenses or patent releases covering County-specified proprietary materials, equipment, devices or processes.

8.21. ISRAEL BOYCOTT DIVESTMENTS

If this Contract has a value of \$100,000 or more, Consultant certifies that it is not currently engaged in, and will not during the term of this Contract engage in, a boycott of goods or services from Israel as defined in A.R.S. § 35-393.

Consultant will, at the request of the County at any time during the term of this Contract, give the County a valid copy of its business license or, if it is exempt, a written determination from the County Business License Section that a business license is not required.

8.24. NO WAIVER

No provision in this Contract acts expressly or by implication as a waiver by either party of any existing or future right and/or remedy available at law in the event of any claim, default or breach of contract. If either party fails to insist upon the other's strict performance of any duty or condition under this Contract or fails to exercise or delays in exercising any right or remedy provided in this Contract or by law, or accepts nonconforming materials or services, that party will not be deemed to have waived its right to insist thereafter upon the strict performance of the Contract.

- B. **Invoices.** Unless County pays by credit card at time of order or point of sale, Consultant will issue to the County a separate invoice for each shipment of materials or provision of services under this Contract, and County will issue no payment prior to receipt of the goods or services and the related invoice. The invoice may not be dated prior to the receipt of goods or completion of services.
- C. **Timing of Payments.** The County will make commercially reasonable efforts to process payments due under this Contract within 21 calendar days after receipt of materials or services and a correct invoice.
- D. **Payment Discounts.** Any early- or timely-payment discounts included in Consultants' submittal will apply to all payments under this Contract. The payment period for purposes of determining whether the discount applies to a particular payment will begin on the date the County receives the materials/service or a correct invoice for the materials/service, whichever is later, and will end on the date County's payment is issued. Unless freight and other charges are itemized, the discount will be calculated using the full invoice amount.

8.28. PROTECTION OF COUNTY PROPERTY

If this Contract requires Consultant to perform any work on County-owned property, Consultant will use reasonable care to avoid damaging existing buildings, equipment, and vegetation (such as trees, shrubs, and grass) on the property. Consultant will replace or repair any damage caused by Consultant or any employee, agent, or subcontractor of Consultant, at no expense to the County. If Consultant fails or refuses to make such repair or replacement, the County will estimate the cost of repair and, upon receiving an invoice from the County for that estimated cost, Consultant will pay the County the invoiced amount. County may, at its discretion, instead deduct the amount from any payments due Consultant under this or any other County contract.

Consultant will, during the course of its work on County property, keep the work area, including any storage areas used by the Consultant, free from accumulation of waste material or rubbish. Upon completion of the work, Consultant will leave the work area in a clean and neat condition, free of any debris, and will remove any non-County-owned materials or equipment or other personal property that it has caused to be located on the County property.

8.29. PROVISIONS REQUIRED BY LAW

This Contract will be deemed to include every provision required by law to be included. If through mistake or otherwise any such provision is not included, or is included incorrectly, then upon request by either party the parties will amend the Contract to insert or correct the required provision.

8.30. RIGHT TO ASSURANCE

If a party to this Contract has reason to question, in good faith, the other party's intent to perform, the former party may demand that the other party give a written assurance of their intent to perform. In the event that a demand is made and no written assurance is given within 5 business days, the demanding party may treat this failure as a default.

8.31. RIGHT TO INSPECT

The County may from time to time during normal business hours, at the County's expense, inspect the Consultant's or any subcontractor's place of business at which work under this Contract is being performed.

8.32. SEVERABILITY

The provisions of this Contract are severable. If any provision or application of a provision of this Contract is held to be invalid, that will not affect the validity of any other provision or application of a provision that can remain meaningfully effective without the invalidated provision or application.

8.33. SHIPMENT UNDER RESERVATION PROHIBITED

No tender of a bill of lading shall operate as a tender of the materials. Non-compliance shall conform to the termination clause set forth within this document.

8.34. SUBCONTRACTS

All subcontracts will incorporate all the terms and conditions of this Contract. Consultant is responsible for contract compliance and quality of work of any subcontractors used.

8.35. TERMINATION OF CONTRACT

- A. For Convenience. The County reserves the right to immediately terminate at any time, with or without cause, the whole or any part of this Contract. If the County terminates the Contract, it will be liable only for payment for services rendered and accepted before the effective date of the termination. The County may, by written notice to the Provider, cancel this Contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the Contractor or any agent or representative of the Contractor, to any officer or employee of the County.
- B. For Cause. The County may terminate this Contract if any Contractor representation or warranty is found to have been inaccurate when made or is no longer accurate, or if Contractor fails to carry out or abide by any term or condition of the Contract and fails to remedy the problem within 7 days after receipt of notice of default from the County.
- C. Non-Appropriation. Each payment obligation of the County created by this Contract is conditioned upon the availability of funds that are appropriated or allocated for the payment of such obligation. If funds are not appropriated by the County and available for the continued purchase of the services and/or materials provided under this Contract, this Contract may be

terminated by the County at the end of the period for which funds are available. The County will endeavor to notify Contractor in the event that continued service will or may be affected by non-appropriation. No penalty will accrue to the County in the event this provision is exercised, and the County will not be liable for any future payments due or for any damages as a result of termination under this paragraph.

8.36. TITLE AND RISK OF LOSS

The title and risk of loss of any goods provided under this Contract will not pass to the County until the County actually receives the goods at the point of delivery and thereafter accepts them. No tender of a bill of lading will operate as a delivery of the materials.
